**November 12:** Closing on-line auction

**November 16:** 12:00 p.m.-- A new item at the Fall Bonanza this year that Western needs everyone's help with is a special fundraising program that Hi-Way Chevrolet in Rock Valley and Verhoef Automotive in Sioux Center are coordinating along with Buick. Individuals can simply fill out a waiver form and mini-questionnaire to test drive a vehicle. Vehicles will be available at Western to test drive. When finished with the drive individuals fill out the second half of the questionnaire. Depending on how long of a test drive is taken, this whole process can be less than 10 minutes. For each person who takes the time to participate \$20 is raised for Western Christian, for example if 500 people participate that is \$10,000 for the school. They are very lenient in whether you actually need to do a test drive or not.
