

The students at Western will be collecting closed toed shoes and backpacks for Mission Haiti ([www.mission-haiti.org](http://www.mission-haiti.org)) until the end of the school year. The most needed shoe sizes are kids size 9 through adults size 8, but any size of shoe can be donated. We ask that both the shoes and backpacks are gently used or new so the kids in Haiti will receive good quality items. If the shoe and backpack drive goes over well, the students at Western will get an extended break and ice cream bars one of the days during the last week of school. Please consider supporting this great cause.
