

WESTERN CHRISTIAN HIGH SCHOOL
WEEKLY MEMO - MARCH 14, 2020

For the Lord is good and his love endures forever; his faithfulness continues through all generations.

THEME VERSE FOR 2019-2020

FROM THE DIRECTOR OF SPIRITUAL LIFE

We had two chapels this week. On Tuesday, Michael DeJong, a 1998 Western graduate, came to lead us in chapel with a message about being courageous in our faith like David was in the confrontation with Goliath. Michael challenged the Western learning community to see that our culture continues to challenge Christians and our faith, and only when we put our full confidence in God can we take a stand for God and His Kingdom! On Thursday, we worshipped together by singing a few praise songs, led by a group of students, and then the Pack for Life group updated us on some possible opportunities to take a stand for life in the near future. Mr. Verwolf also led our entire group with some words of encouragement in a word of prayer. We are often reminded of how blessed we are to be able to sing and pray together! What a blessing!

COUNSELOR'S CORNER

2020-21 Registration This week I talked with freshmen, sophomores and juniors about their class options for the 2020-21 school year. Students are able to select their classes on JMC until Friday, March 20. This is just Western classes. Students should register for 12-16 credits. Information on college courses available to those who will be juniors and seniors will be coming at a later date.

National Honor Society Banquet - In light of all of the uncertainty with the Coronavirus and how quickly it will be directly affecting our area we have decided to postpone the National Honor Society Induction Banquet scheduled for Monday, March 16. We will be in communication with our NHS members and inductees as to when that will be rescheduled.

NAIA Seniors planning to play sports in college need to register with NAIA. There is a fee and it takes a bit of time to fill out the registration. Kathy will monitor registrations and submit transcripts for students. Students will need to request their ACT scores to be sent to NAIA from the ACT Student Center. There is a fee for that as well.

Transcripts and Scholarships As students are filling out scholarship applications they may be asked to send a copy of their transcript with the application. If it doesn't need to be an official transcript students could access an unofficial copy of their transcript from JMC. If an official transcript is needed it can be requested from Mrs. de Boom. She can either email it to or print it for the student.

SENIOR PICTURES SHOULD BE TURNED IN!

Deadlines are quickly approaching. Please get the senior pictures turned in to the office. We need THREE actual pictures. All must be vertical and the closer up the better. One will be used in the yearbook; one will be used for newspapers; and one will be used for the class composite that hangs in the hallway at school.
